Visas

Citizens of European Union do not need visas for entering to the Czech republic. Participants from others countries, please, contact czech embassies or consulates for information.

Public event

Bike adventure - Bike Adventure is an unusual cycling marathon where you aren't bound by a set route length but you just ride what you manage to ride. It's a cycling trip according to a tourist map. A thrilling combinative puzzle where you try to solve the problem how to achieve as many points as possible during the pre-set time limit and moreover you change the chosen tactics several times according to how you are running short of energy.

Health care

Organizer will provide first aid at the competition centre of each event and in the finish. Organizer will not bear costs connecting to health insurance of participants. We recommend a personal health insurance. Each participant takes part on its own risk. There is a hospital in Nové Město na Moravě.
